Hotel Restaurant Florida

A warm welcome

Geographical location

The village of Studen is located in the middle of the Bernese Seeland, not far from the Jura valley, between Biel and Lyss. The Florida borders directly on a nature reserve and is easily accessible by public and private transport. The facility enjoys an idyllic location by the forest lake with many water birds and flamingos.

Our bright, stylish and friendly rooms are functionally furnished and equipped with a spacious table work surface, LCD flat screen TV, radio, telephone, free WiFi and a safe in the room. All rooms can be used as double or single rooms. 40 rooms are located in the main building, 7 are in the annex Castello facing our restaurant.

The rooms offer 450 seats and impress with their diversity and originality. Whether in the oriental-inspired Maroc, the tropical restaurant or the sophisticated Seestube with a view over the forest lake. Each room radiates a special atmosphere through its own character. The glass-clad winter garden or the terrace offer the perfect ambience for sun lovers.
